Cambridgeshire County Council Record of Decision
Decision taken by an officer of the Council

Title of decision	PR1178 Church Street, Harston, Double Yellow Lines
Date decision taken	16/10/2026
Decision maker	Peter Blake (Service Director of the Greater Cambridge Partnership)
Details of decision taken	After a review of the details of the proposed scheme and taking into account the written representation received, the Service Director of the Greater Cambridge Partnership, in conjunction with Councillor Peter Fane and Councillor Laurence Damary-Homan, decided that the proposals should be implemented as published. The objectors and others who submitted written representations will be informed of the outcome accordingly.
Reasons for taking decision	Objections were raised to the installation of double yellow lines on Church Street, citing the demand for parking outside the Doctor's Surgery and lack of parking opportunities elsewhere in the village. It is proposed that parking will be prohibited towards the eastern end of Church St, however, most of Church St is uncontrolled and will remain so. Harston Neighbourhood Plan also sets out proposals for opportunities to expand parking in the village using council land. Other objections included concerns raised about the lack of consultation with Newton Parish Council and residents as they form part of the GP surgery catchment. The scheme does not extend to Newton. It is difficult to ascertain catchment areas for every amenity, business, or service within any proposed scheme. However, the TRO consultation is open for all residents in Harston and neighbouring areas to respond. The need for double yellow lines has also been discussed and advertised by Harston Parish Council prior to its meetings which are open to the public.
