Dear Dr Sutton

I'm in favour of the busway going through Hardwick along St Neots Road.  
It would be nice if trees on the north of St Neot's Rd could be preserved, but this shouldn't prevent this route being used.  
The benefit of the busway going along St Neots Road are greater than the benefit of the trees that may be lost.

I have been a resident in Hardwick for over 20 years, living at 33 Hardwick Way, close to St Neot's Road.  
I wanted to give my opinion because I'm aware of campaigns/petitions against the busway going along St Neots Rd, but there seems to be a lack of any coordinated voice in favour, so I didn't know how else to express my opinion. For this reason, I also imagine that there are many others who are equally in favour of this scheme whose views will not reach you.

All the best with your work

*David IB*
